

DUMPSTER/CONTAINER PERMIT REQUIREMENTS

- 1) ALL DUMPSTERS PLACED ON A PUBLIC STREET MUST BE PERMITTED BY THE L.F.U.C.G. DIVISION OF TRAFFIC ENGINEERING.
- 2) A – REQUIRED REFLECTIVE MARKINGS OF EITHER RED OR WHITE SAFETY TAPE. B – COMPANY NAME OR LOGO REQUIRED ON UNIT, LOCATION IS OPTIONAL.
- 3) COMPANY MARKINGS MUST HAVE A CONTACT PHONE NUMBER AND MUST BE ON THE SIDE PANELS AS A MINIMUM OF LOCATIONS.
- 4) LOGO'S AND SAFETY MARKINGS MUST BE KEPT IN GOOD CONDITION.

REGULATIONS:

- 1) All dumpster/container units must be kept clean and neat in appearance.
- 2) Units are to be emptied when full or within 24 hours of notice.
- 3) Traffic Engineering may grant a dumpster/container permit on a public street for up to 30 days. The L.F.U.C.G. Chief Administrative Officer (CAO) may grant extensions due to extenuating circumstances.
- 4) Permits are issued at the discretion of Traffic Engineering. Health, safety, and welfare of the traveling public is the most important consideration. If a reasonable alternative exists on private property a dumpster/container permit will not be issued.
- 5) Dumpsters/containers are subject to impoundment if it is located on a public street without a permit.
